# All the Right Stuff

FIGURE 9-2   The right stuff for continuous feedback

"You must send the right information to the right people at the right time and in the right way."

The Right Information

https://plugins.jenkins.io/build-failure-analyzer/

The Right People

"I made decision about the resource about time, cost ,quality and scope"

**Project Manager**   **Technical Lead**   **Testers**   **Developers**

6
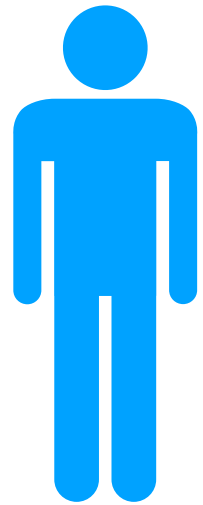

The Right People

*"The system are working
and no errors from inspectors"*

**Project Manager**　　　　**Technical Lead**　　　　**Testers**　　　　**Developers**
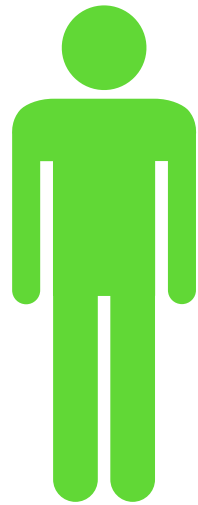

The Right People

*"All tests are green, No code issues,
New features ready to release"*
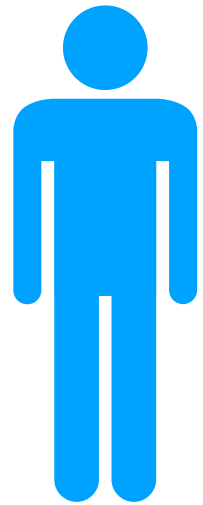

Project Manager   **Technical Lead**   **Testers**   **Developers**
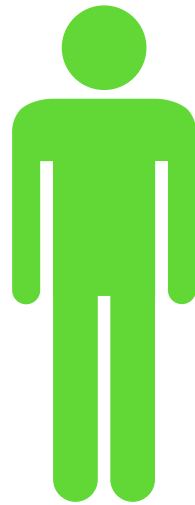

The Right People

*"My codes broken on CI machine, I just got it and I'm on it"*
